Larry,

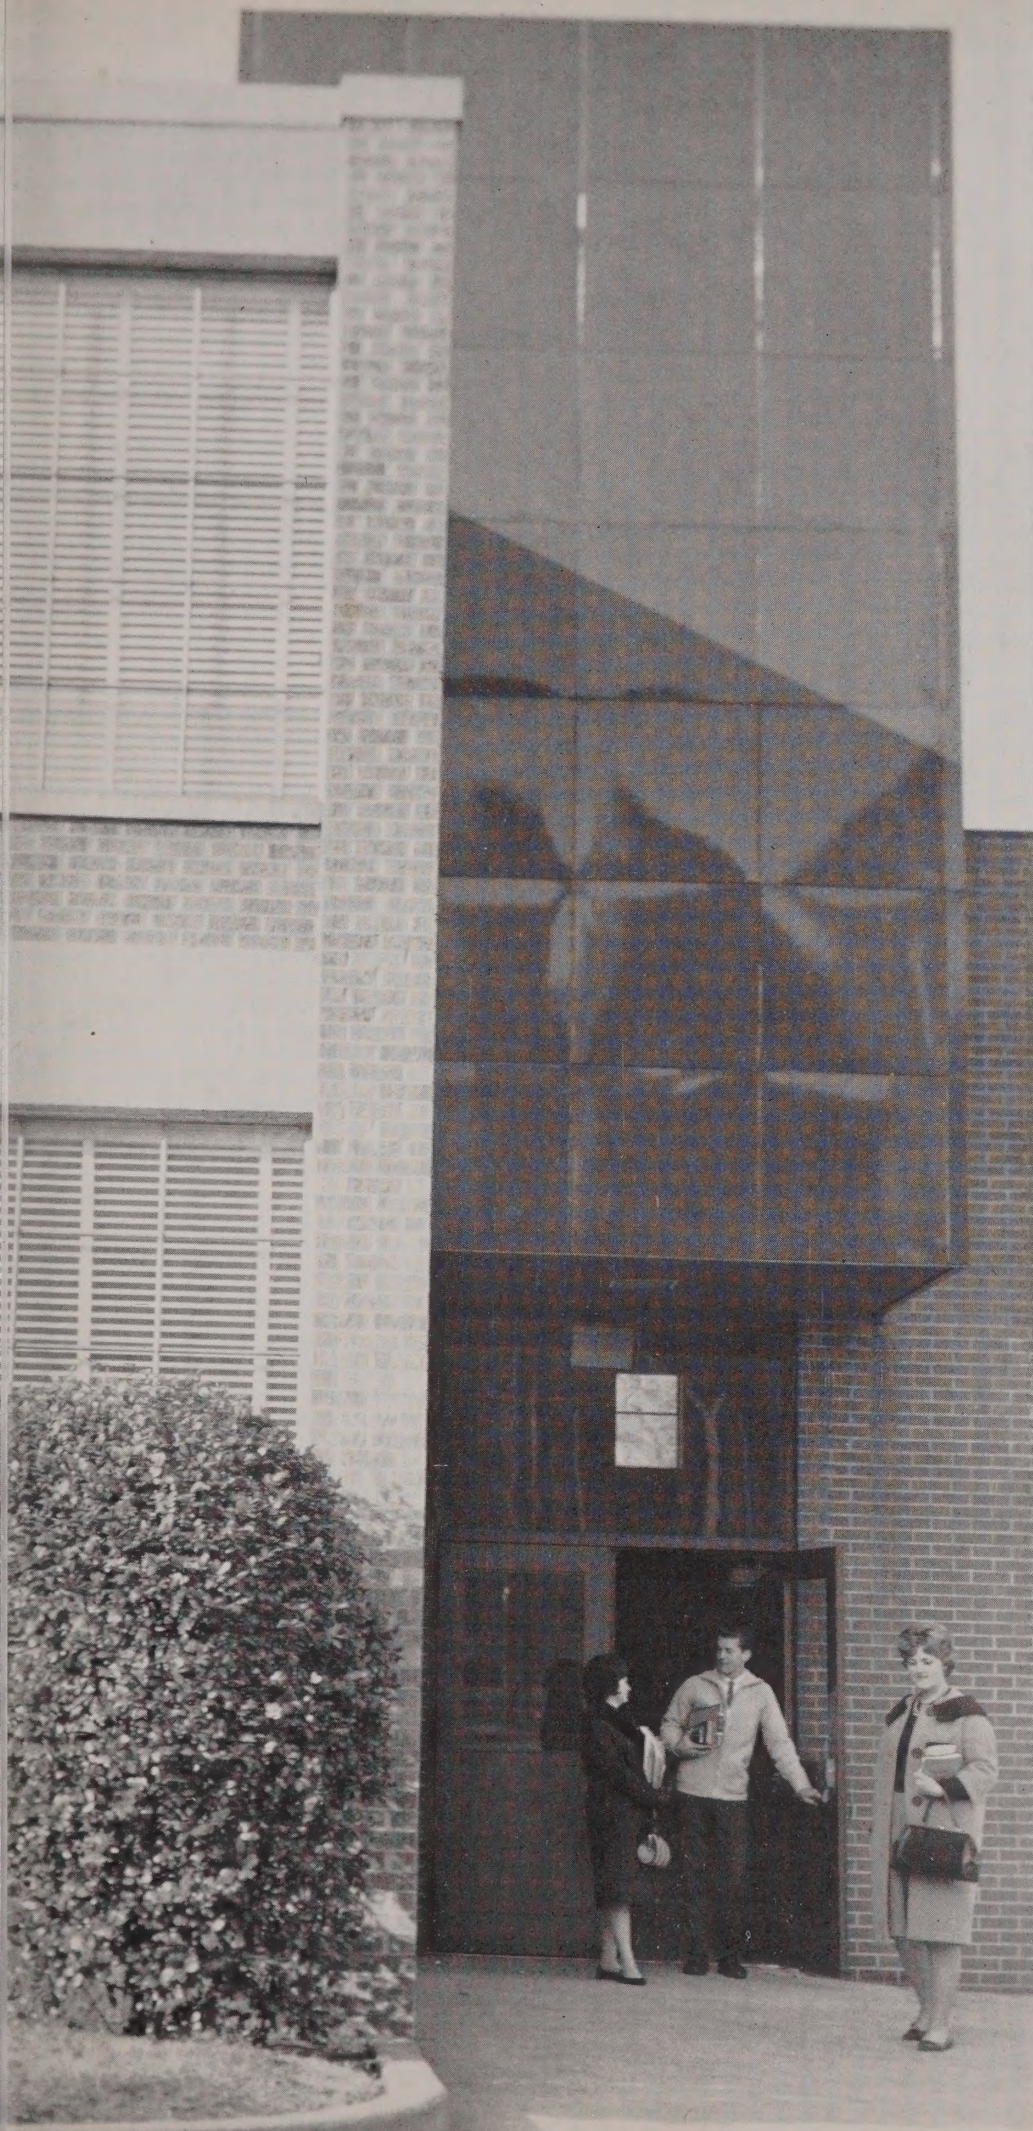

Tell, now, I can think of a lot
of things I could say, but I won't!!
Seriously, I've really enjoyed being
with you in S.S. & Harmony classes. We've
really had fun, haven't we!

May the Lord bless you, Larry, and may
He use you in His service. Always put Him
first in all things.

Love in Him

Beauty in Nature

Nature is the mirror through which the beauty and handiwork of the Lord are revealed. The mountains are His thoughts in height; the streams are His thoughts extended. The flowers are the expression of His loveliness, and the trees are monuments of His infinite being. All these He made to reflect Himself—the God of creation—the Saviour of the world.

Chattanooga abounds in this natural beauty that arouses in the appreciative soul a recognition of the eternal beauty of Christ.

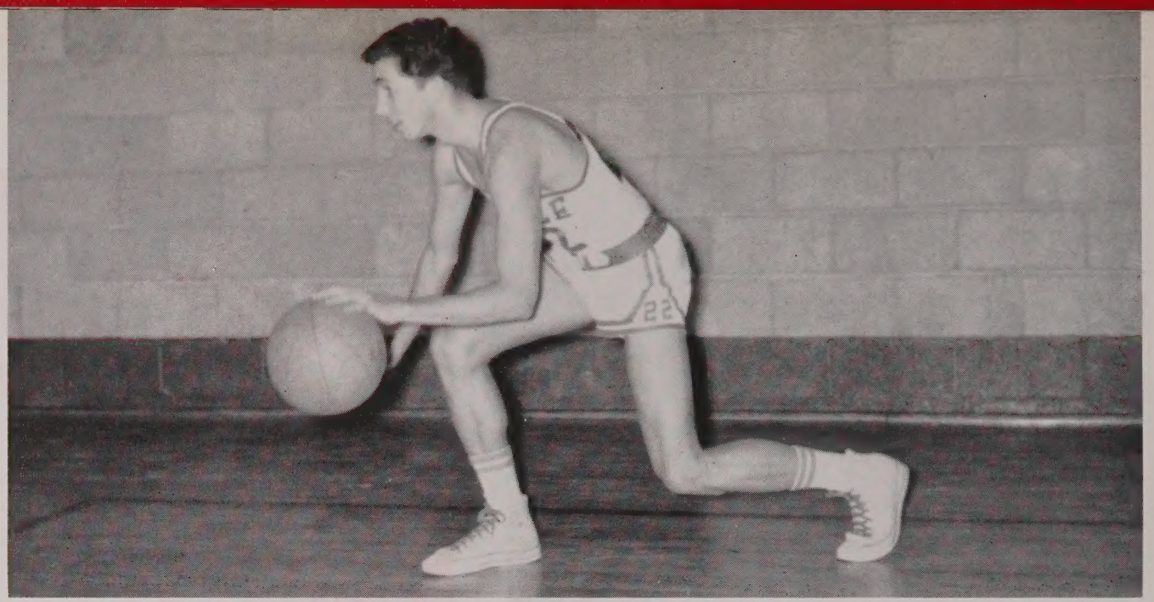

Battles of History

During the Civil War, Chattanooga and the surrounding areas were very strategic battlegrounds. When Chattanooga fell, the barrier to the South was overrun, bringing the beginning of the end to the War Between the States. Today Chattanooga is still a strategic location, because here in the midst of historic landmarks, battlefields, and monuments is located Tennessee Temple Schools—a training camp for Christian soldiers.

Victory demands preparedness. Just as in war, a soldier that is unprepared is susceptible to defeat, we as Christians may fall as casualties unless we are fully equipped to meet the battles of our lives.

Balance to Life

The Word of God is the road map for our daily walk. Jesus being our example, we are to pattern our lives after Him and "... follow in his steps."

"And Jesus increased in wisdom and stature, and in favour with God and man." (Luke 2:52) This verse presents the four aspects of the human life ... intellectual ... physical ... spiritual ... social. These four aspects, when added to the scales of our lives in the correct proportion, result in a balanced life.

Students of Temple are trained to be well-rounded individuals, and a balance to life is maintained through education in four dimensions ... intellectual ... social ... physical ... spiritual.

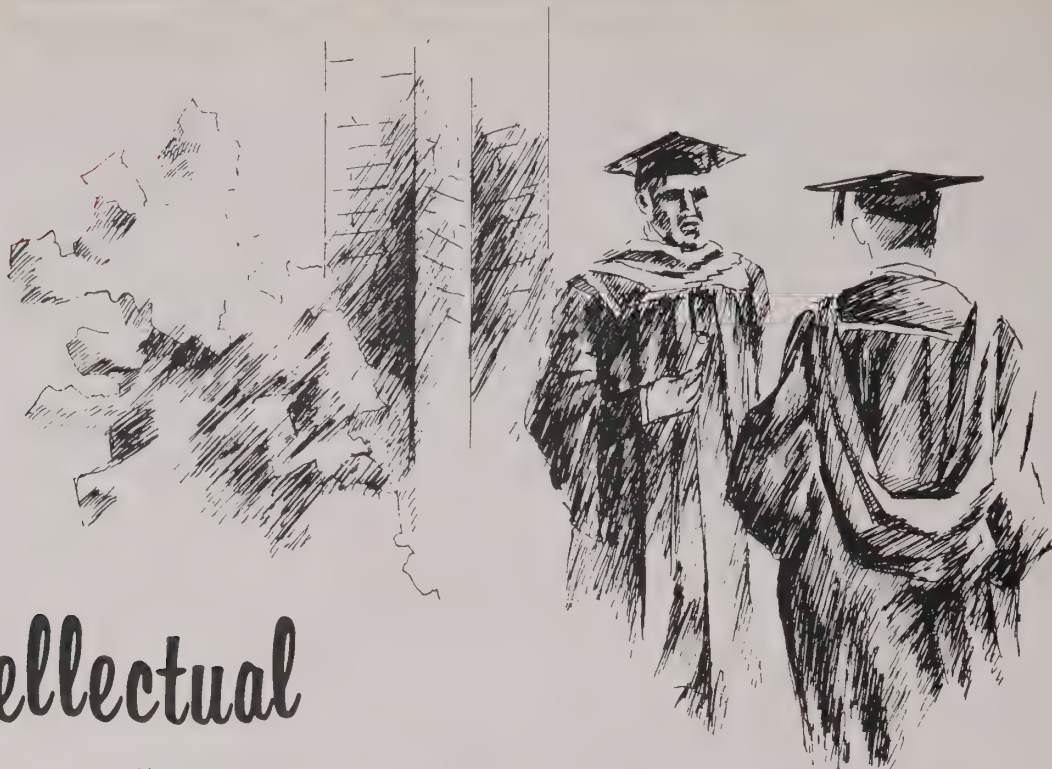

CONFESSION OF FAITH

We believe in the verbal inspiration and authority of the Scriptures. We believe that the Bible reveals God, the fall of man, the way of salvation, and God's plan and purpose in the ages. We believe in God the Father, God the Son, and God the Holy Spirit. We believe in the Deity and virgin birth of Jesus Christ. We believe that salvation is "by grace" plus nothing and minus nothing. The conditions to salvation are repentance and faith. We believe that men are justified by faith alone and are accounted righteous before God only through the merit of our Lord and Saviour Jesus Christ. We believe in the visible, personal, and premillennial return of Jesus Christ. We believe in the everlasting conscious blessedness of the saved and the everlasting conscious punishment of the lost.

ENDOWMENT

They walked into the silent, crimson dawn:
Two minds, two hearts, that thought and beat as one—
The sun arose to kiss the golden sand
As they stood there engulfed by sea and sky.
There came a quiet voice that spoke to them:
"I am the sea that represents all life,
And now I wish to give you of myself."
The snow-capped tide flowed in, and then it ebbed
To leave a host of shells upon the beach—
Minute and gleaming in the morning sun.

The kindred minds and hearts picked up the first
To find engraved on it: "Yours Knowledge is;
Use it to banish darkness from young minds—
Use it as food to nourish those young minds."
A second shell dropped Wisdom at their feet,
And brought these ageless words before their eyes:
"Dear ones, I am that wisdom that you seek;
Take me, and I shall elevate your souls
Up to the crest of every wave I make."
Then close beside the lovely wisdom shell
The angel shell of Understanding lay—
And there by it they found the shell of Love.
They gathered them into their eager hands,
And thanked the boundless ocean for its gifts.

"Dear hearts, I wish to show you one thing more—
For without it my gifts amount to nought."
The endless tide flowed in again to them,
And from its foam there rose a battered cross.
"Without this cross all else is but in vain"—
And with these words the ocean depths were hushed.

Dedication

President

A man of courageous Christian character and leadership

Our Dedicated President—DR. LEE ROBERSON

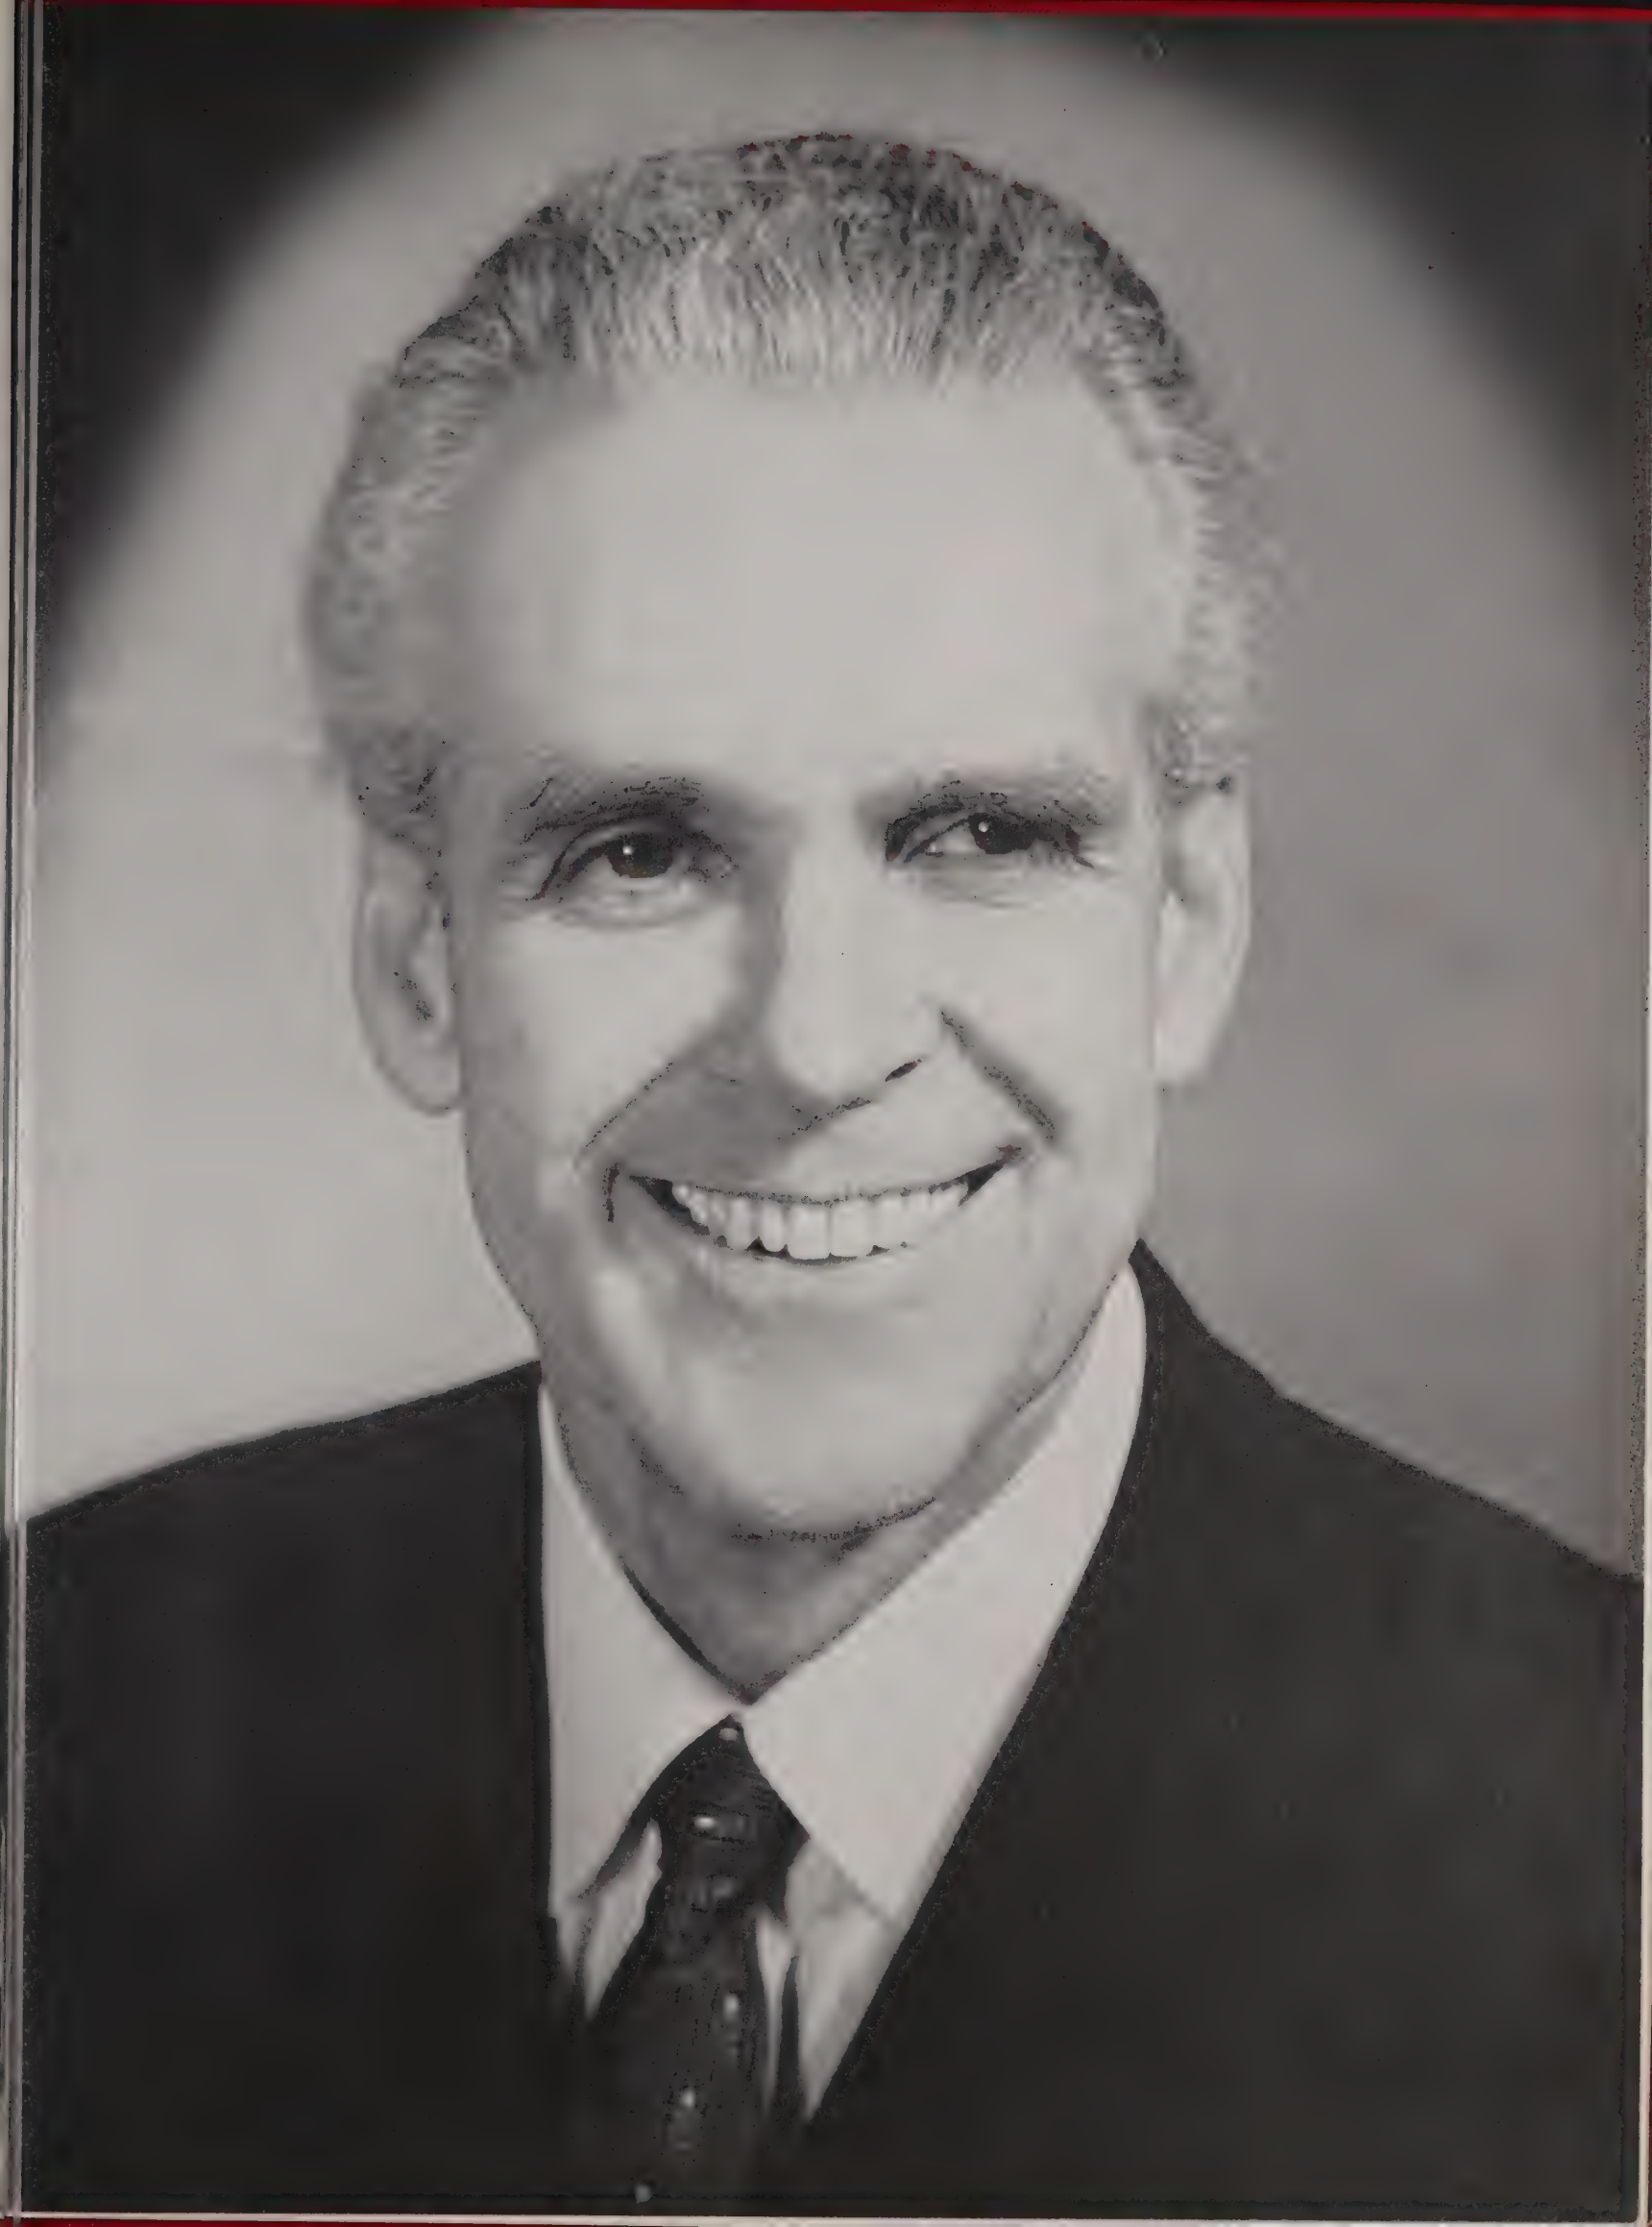

"Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain..."
John 15:16

The dynamic life of our President, Dr. Lee Roberson, exemplifies the extensive outreach of a man who is totally yielded to the Lord and guided by the Holy Spirit. Not only is his ministry influential in shaping the Christian characters and personalities of untold hundreds, but it is also instrumental in leading countless souls to the Saviour.

The dedication of Dr. Roberson, with which he fulfills his responsibilities as our President, is an inspiration to all who know him.

THE ROBERSON FAMILY—Lee Anne, Dr. Roberson, Mrs. Roberson, Johnny, Patty, June.

Vice-President

Dr. J. R. Faulkner, Vice-President of Tennessee Temple Schools, is constantly striving to "... serve the Lord with a perfect heart and a willing mind." The success of the work which he does stems from his ability to use well the talents which the Lord has given him. A man of ideas who is able to put them into action, a man who busies himself with the work at hand, a man whose life offers a challenge to all, and a man who seeks to please the Lord daily—this is our Vice-President.

The efficient Dr. Faulkner

THE FAULKNER FAMILY—Peter, Randy, Mrs. Faulkner, Dr. Faulkner, Paul, Bobby, Steve.

A man of many talents.

Deans

The words of Psalm 111:10, "The fear of the Lord is the beginning of wisdom: a good understanding have all they that do his commandments," well typify the Deans of Tennessee Temple Schools. In his position of service, each Dean is continually aware of his responsibility to God; he not only fulfills his obligations, but is also interested in the welfare of the students. By observing these Deans, students find the standard for strong character and judicious conduct.

Band

The Band presented a splendid Christmas concert this year. Joined by the vocal ensemble, the group rendered beautiful Christmas songs.

In the spring the annual concert was presented in a varied and interesting fashion. To cap the activities of the year, the Band and Glee Club combined their efforts to bring us a very enjoyable program.

And the band plays on.

TIMES

The TIMES, our student newspaper, covers many phases of Temple life. In working on the paper students have a chance to learn about business, journalism, and administration. The knowledge obtained from their work is of great value to students, for they can use it in producing many forms of Christian Literature.

This publication keeps students informed of recent ball-games, new teachers, news about the "old" faculty, happenings about the campus, and progress of our school.

The 1964 CHIMES reflects the balanced program presented at Temple. The staff, in producing this year's Annual, has endeavored to make it a book of the students, by the students, and for the students. Final exams, Homecoming, demerit list, ballgames, the special date, Missionary Conference, term papers, Student Revival and graduation—these aspects, which combine to make our balanced life, are perpetuated in this year's treasure of memories—your 1964 CHIMES.

SWEETHEART BANQUET

One of the big social highlights of the past school year was the Sweetheart Banquet of February 14. Beautiful decorations set to the theme of "Deep Purple" accented the occasion. The delicious meal, the girls wearing their lovely corsages, and a program of appropriate music made this banquet one we will long remember.

The thrilling moment of the night came when Miss Joy Pummell received her bouquet of roses and was crowned Temple's Sweetheart of 1964.

The Freedom Shrine, a permanent exhibit of twenty-eight authentic reproductions of historically famous American documents ranging from Jefferson's "rough draft" of the DECLARATION OF INDEPENDENCE to the official United States copy of the United Nations Charter, was presented to Tennessee Temple Schools by the Exchange Club of Chattanooga, Tennessee.

The Freedom Shrine is exclusively an Exchange Club project and an important part of the American Citizenship Program of The National Exchange Club. "The ideals and precepts set forth in its documents, constitute a precious heritage, not only for Americans but for freedom loving people everywhere."

Homecoming

The highlight of the sports program is the annual Homecoming Game. The pre-game ceremonies were very impressive as each of the eight lovely candidates was escorted through the archway and into the spotlight by members of the basketball team.

The royal court took its place on the red and white decorated stage to await the announcement of this year's winner. When the presentation was made, the spotlight rested its beam on Miss Jan Rice—our Homecoming Queen for 1964.

A new coach stepping in to take over a new team is always in a difficult position, but Coach Bruce Foster has done an excellent job. The most outstanding asset of this year's team has been its refusal to become discouraged. The improvement of the team has been the result of much practice and hard work. The Crusaders were invited to participate in a tournament at Lee College. In this tournament, as well as throughout the rest of the season, the team provided much excitement for Temple's students. Because they have represented the Schools and our Saviour so faithfully, we salute the '63-'64 Crusaders.

Baseball is one of the most exciting of all spectator sports. Admission to games is free to the students, and the scheduling permits most students to attend. Surely our national pastime deserves more support.

This year's team consisted of a team not lacking in experience, as a number of the starting nine played first string last year. Starting slowly, the Crusaders fought stubbornly the remainder of the season.

Football

As the city league football season ended this year, our team was in second place. The competition was stiff, and our team was faced with many hard battles.

Led by Captains Layton Sampson and Wally Watson, the team was a worthy representative of our schools. The team's play and attitude were a testimony for the Saviour in each contest.

Bowling

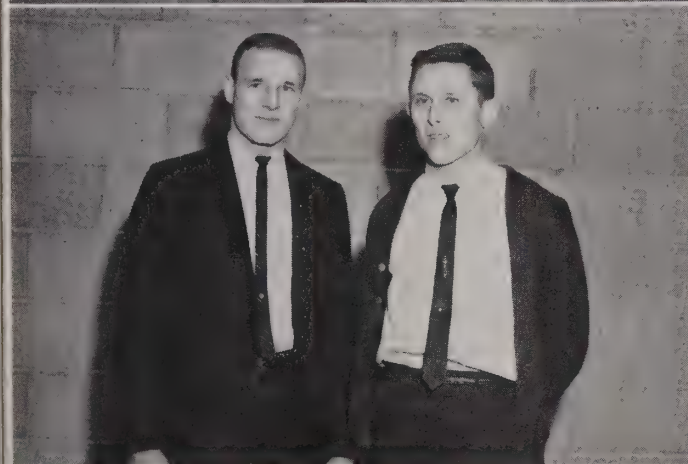

Bowling is fast becoming a popular sport at Temple. By participating in league bowling, the team comes in contact with many people with whom they can leave a testimony for the Lord. Bowling, although not a major sport, is becoming a central part of Temple's sports program.

Track

Although lacking experience and depth, the track team worked hard to develop its potential. Participation in cross-country and city track meets gave the team good experience. With continuous efforts our track team will be developed into a solid organization.

Of all our minor sports, soccer is the most popular and best-established. The team played not only city league ball but also competed against various colleges. This year's team was one of the best in Temple's history. Our international students are a great asset to the team.

Dr. Weigle is world-famous as a Christian song writer. His ministry, however, does not end here. Although ninety-two years of age, he continues to travel, preach, and sing. The Lord's care, which inspired his most famous song, is still his abiding theme. His life so manifests harmony with the Lord that those who are with him feel discords turn to harmony in their own lives. "I will sing unto the Lord as long as I live; I will sing praise to my God while I have my being." Psalm 104:33.

A Cappella Choir

"And he hath put a new song in my mouth, even praise unto our God: many shall see it and fear and shall trust in God." Psalms 40:3. This verse was chosen by the A Cappella Choir in preparation for its annual tour. During the week the choir had opportunity to present the work of Temple Schools and to see souls come to the Saviour.

In May the oratorio SAMSON by Handel was presented. The forty-two voices blended in Handel's beautiful melodies as they portrayed on the stage the closing hours in the life of Samson.

The choir is under the direction of Mrs. Fred Brown whose capable leadership and dedicated ability are a challenge to all who know her.

The Glee Club

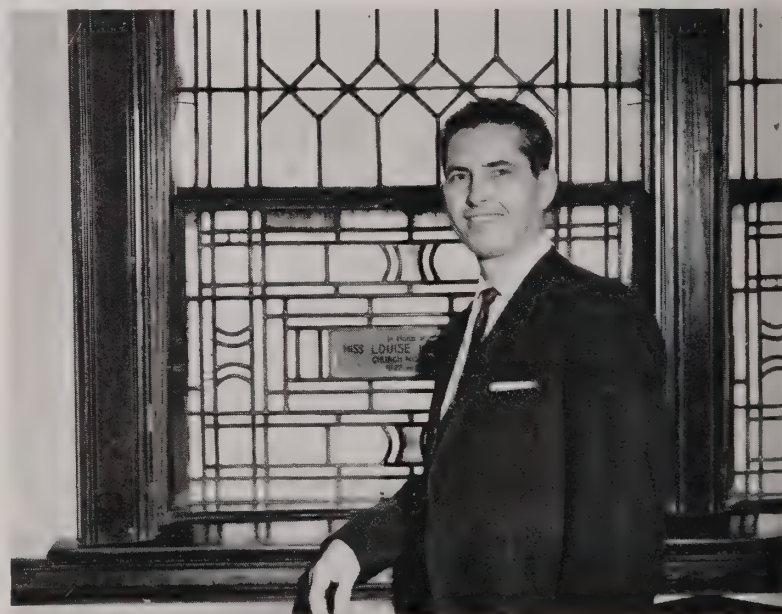

Mr. James Palmer has molded this organization into a unit of well-blended voices. The presentation of Handel's MESSIAH was one of the major productions of the group. Accompanied by the orchestra, the beautiful strains of this masterpiece brought inspiration to the audience and honor and glory to our Saviour.

Another highlight in the activities of the year was the spring tour of thirty-eight members of the Glee Club. This was a new experience in the history of the chorus as they represented Christ and the Schools in the Southern States.

Fall Revival

Dr. Hyman Appleman, speaker for the Fall Revival, delivered many forceful and dynamic sermons. Our spirits were strengthened, our faith uplifted, and our outlook broadened as we were privileged to hear this man of God. His messages, together with Ellis Zher's ministry in songs, were instrumental in making the Fall Revival a time of spiritual awakening.

ELLIS ZHER

Mid-Winter Revival

Second semester opened with the Mid-Winter Revival, giving students an opportunity to be renewed in the Lord. Jimmie Johnson's messages and Stratton Shufelt's songs awakened a new love for the Lord and a desire to serve Him. Two student-conducted pre-revival meetings were held during which students were shown that genuine revival comes only from the hearts of individuals.

Missionary Conference

The "Open Door" 19th Annual Missionary Conference acquainted us with conditions and opportunities on the mission fields today. Dr. Walter Hughes, our principal speaker, warned against trying to meet the spiritual wartime crisis with peacetime methods. Mel Johnson's solos and choir work added a musical missionary note. The daily missionary forum gave opportunity for students to direct pertinent questions to missionaries assembled from twenty-six boards.

Larry,

First let me say Hi! I am your crazy roommate - David. Now that that's over - I can go ahead.

Let me start at the very beginning. I can just about ~~remember~~ remember the first time I saw you. I Greetings from wanted to meet you and know you.

Larry, I thank the Lord for your friendship. It's hard to put into words my feelings. Just recently it's been shown forth that you are a friend indeed. I hope and pray that our friendship will be one of life long. I thank the Lord that we have been able to be room-mates. I know we have our MILK AND ICE CREAM differences, but let's be thankful that we're normal. Ha! I'm sorry you think our friendship had been hurt, but now I feel even closer to you. I guess being my roommate has

been a trying time - mainly my problems. I'm thankful for someone as you who shares my joys and sorrows.

There are so few people who are willing to share other's problems, but you have been one who will listen to others. Larry I think you're great!

Main Offices

Larry, you are talented. My prayers are that you will always use your talents for Christ. You have been encouraging to me in my music blue moments. I guess you use good psychology.

Now to my outline. We've shared fellowship. We've shared food - like the doughnuts and milk tonight. There's ~~nothing~~ nothing better in this world than calories. Yum! ALWAYS FRESH & GRADE "A" Also we've shared fun.

Our moments between work and study (what study? Ha!) have been moments to remember. I guess you "Temple Prefers Happy Valley" could say Comedy Carnival. There have been so many things that I can't just pin-point one thing. Yes, I just did (P.S.) - New Year's Eve!! New Year's Eve we had pizza, snow cream (my fiskt), and a good early hour - 4:00 A.M.

My Outline

- Fun.
- JOKES
- Good times.
- Food:
- CALORIES
- Fellowship
- A TRUE FRIEND
- A GREAT ROOMMATE

In closing, I want to say excuse my jumbled words - they've been meant to complimentary.

Also in closing I'd like to leave a couple verses. ^{These} verses have meant so much to me since I came here in Sept., 1961 - Feb. 13:54. The Lord promises never to leave us nor forsake us. He is our helper. These verses have gotten me through

many days where I was at rock bottom.

Thank you again for being a wonderful roommate & a fabulous friend.

May God Richly Bless you & that you in His service.

Larry,

It has really been great knowing you this semester. You're a real great guy, with a personality to match and loads of potential for serving the Lord. The Lord has really given you talent, and I hope you will always use it to serve Him.

I have enjoyed our good times together and our long talks. (to bad Jimmy was only in the infirmary three times)

Have a real nice summer, and be good, if possible. I'll be looking forward to seeing you again next year.

Sincerely,

Lucilla

Larry,

Hasn't this year been wonderful. I can't begin to count the blessings God has bestowed upon me. I have really like been blessed to have the privilege to go to school with kids like you. Larry, "always put God first and all else will become adjusted." May God use your life greatly for His Honor & Glory.

Larry,

I feel that I could write a book, but neither time nor energy will permit. But I do want you to know how much I cherish your friendship. You have meant so very, very much to me. I have found you a friend I can count and depend upon. Thank you for just being you!!

I have thoroughly enjoyed our classes, together this semester. Harmony has become more interesting and I'm so glad you're now in Cappella. I'm very much looking forward to June next year.

Have loads and loads of fun this summer, don't do anything I wouldn't do, and above all, put Christ first!

Your friend always,
Cecilia Quinter

Larry,

Just a short note to let you know how much I have enjoyed knowing you this year. You are one of the few young men that I have met whom I can look upon as a friend. I have had a lot of fun talking to you and David and Shirley. I can see that I've found some friends for life. You have a beautiful voice, so continue to use it for His glory. Remember to always put Christ first in everything that you do and you will go far in His work.

Col. 3:16-17

Larry,

I'm glad you made Choir this semester, but of course you would, cause you've had experience, with Shurlow even! Hope you have fun next year too, and miss me at M.U. and F.B.C. I'll be enjoying that wonderful Miami sun while you freeze and drown up here. But there are better blessings than weather. Stay in God's will and I'm sure you'll have them. Always, Brenda.

Dear Larry,

I count it a privilege to be

one of your friends. You're in

my "special" book. You are one

with high standards, high goals,

and tremendous talent, and I

know you will become a great

servant for the Lord. Your

out-going personality and friendly

ways will always be remembered.

I'm looking forward to future years

at Temple as we struggle toward

our music degree. May God's best

be yours.

Yours in Christ,

Shirley

Larry,

Though most say I'm a fool I'm not going to summer school. It has been a joy to know you and count you as a friend. I know God will use you and your talents if you keep your eyes on Him.
